

Colour Clashes

Rules Regarding Uniform Colour Clashes

Due to the large number of Member Clubs in the ADELAIDE FOOTY LEAGUE a Member Club may have an approved uniform design that umpires find difficult to differentiate from that of another ADELAIDE FOOTY Member Club. Where this occurs it is deemed a colour clash.

When a guernsey colour clash occurs in a match programmed by the ADELAIDE FOOTY LEAGUE, the Member Club designated as playing away from its home ground shall change its guernsey for that match to remove the clash.
