INSURANCE

Once you have submitted the first affiliation form for your team/s for the season ahead, you are required to register your Club through JLT Insurance and the AFL National Risk Protection Programme. This is an annual requirement that confirms your club's participation in the national programme and when completed, allows JLT to process Personal Injury claims for your members.

ADELAIDE FOOTY WOMEN clubs are covered under the standard bronze level, but have the option to upgrade at their own cost. For information on the AFL National Risk Protection Programme and what is covered under each level, visit

https://cdn.jlta.com.au/afl/documents/Programme_Summary.pdf?201502040300. For information on how to upgrade your club's level of cover, visit <https://afl.jltsport.com.au/upgrade.aspx>.

Your Club is also required to obtain a Certificate of Currency, which you can download at the conclusion of the JLT Insurance registration process. A Certificate of Currency is a legal document that demonstrates you have Public and Products Liability Insurance. This document is sometimes required by Councils and/or Facility Management (e.g. any club wishing to run a Bunnings BBQ will need to present this document).

Please follow the steps below to register under JLT Insurance and obtain your Certificate of Currency.

STEPS

1. Go to www.jltsport.com.au/afl
2. Select the 'Community Football' button.
3. On the navigation bar located at the top of the screen, select the 'Club Registration' button.
4. Scroll down to the button of the page until you get to the box titled 'Club Search'.
5. Where it reads 'State', select 'South Australia' from the drop-down list.
6. Where it reads 'League', select 'South Australian Women's Football League' from the drop-down list.
7. Where it reads 'Club', type your club name.
8. Click the 'Search' button.

(Please note: if your club does not appear in the list, please contact femalefootball@adelaidefooty.com.au)
10. Click on the button that reads 'Please Register', located under the heading 'Registration Status'.
11. A new page will generate that is titled 'Club Registration'. This section will require you to read some information about Insurance in AFL.
12. You will then be required to undertake the JLT Online Risk Management Module (a short quiz). Complete this module and continue to follow the steps until you receive your Certificate of Currency.
13. Save and/or print off your Certificate of Currency and provide a copy to your Club Secretary for safe keeping.

PUBLIC LIABILITY INSURANCE

Female teams that are affiliated with an Adelaide Footy League club will be covered under public liability insurance as this is paid for by the Adelaide Footy League club as part of their affiliation fees to the Adelaide Footy League. Female teams that are NOT affiliated with an Adelaide Footy League club must ensure they have their own public liability insurance.
